MEMORANDUM FOR: Chief, Payroll, Travel Branch,
Finance Division

SUBJECT : Post Differential Eligibility -

25X1A

REFERENCE : (a) Your Memorandum dated 26 January 1949 -
Subject - Foreign Post Differential.

(b) Your Memorandum dated 7 October 1953 -
Subject - Post Differential Eligibility -

25X1A

(c) Your Memorandum dated 18 March 1954
to Deputy Director of Personnel -
Subject, same as above.

1. Since neither the Foreign Service Differential Regulations nor the Standardized Differential Regulations prohibit the payment of a post differential to a female employee married overseas, it appears that reference (a) was in error in terminating the subject individual's differential when the only change in her status was that she married another employee while at the overseas station.

2. Therefore, in accordance with request contained in Reference (c), payment of the applicable post differential for the period from 9 December 1948 through 1 November 1949 is approved for the subject individual.
